

And it may be said that <sup>she became</sup> ~~hers~~ has been a rather healthy influence on her husband's architecture. His Protestant ethic ~~crossed with~~ <sup>and</sup> heroic pretensions" were balanced by <sup>her</sup> ~~the~~ artistic sense of ivory. ~~the~~

Since the War, the architect has been in partnership with an interior designer thus making "Humphrey ~~and~~ Hardebergh INC.," a two man operation plus secretaries.

§

### THE ARCHITECTURE

~~The buildings under consideration ~~not~~ were not selected because they are the best work of the architect, but because each ~~too~~ articulates what ought to be simple basic traits of the style of the architect.~~

~~First there are three ~~two~~ domestic dwellings from ~~the~~ early middle and recent stages.~~
