Middlesex Co. Sudbury September 21. 1764

Whereas Mr. John Clark of sd. Sudbury Blacksmith
has Complained to us Sam^l Eaton and John Niserson two of
the fence viewers for the sd. Town of Sudbury and says that
Mr. Phineas Haynes of sd. Sudbury a Roman whose
Land adjoynes to his South field utterly Neglects and
Refuseth to divide fence or Erect and Repair any
on the Division line between them
and we have repaired to the place complained off
by the sd. John and went on the sd. Line and made the
following Division viz

Beginning at the westerly End of sd. line and measured
the same and found it to be about one Hundred Rods
and we set off to the sd. John Clark fifty Rods on the
westerly End of sd. line and we set off to the sd. Phineas
Haynes fifty Rods on the Easterly End of the same
which is to be each ones part or share of sd. fence
to Erect and maintain for ever hereafter
