

the first day of the second month 1643 X

It is agreed upon by the town that the pastor shall have for this
years beginning the first day of the first month thirty pound to
be gathered by rate and to be paid unto him at two severall
payments the first payment to be made one month after midsummer
the other payment to be made one month after michaelmas for the
gathering of the town rate desired me J. Endleton and
Walter Hayme to undertake it and also the town rate disregarded
the pastor from all rates for this year. and the rate to be
levied according to the rate now was for the meetings house.
the Invoys being taken by John Freeman

* Peter Woyes Se^r did give unto Thomas Plymton once his servant
the sum of six acres of meadow of his third wife's portion of meadow
lying in the meadow called of the meadow with of commonage into of
same belonging September 28 1643 By me Peter Woyes

* It is ordered by the town the 21st day of the 6th month that there shall be
a rate gathered of ten pound for the finishing of the meetings house to be raised
upon meadow and ground land and all manner of rates about a ^{quarter} mile to
be paid as they were formerly paid the Invoys to be taken by the marshall
