

The 14th day of January 1653 in a court
the mayor and the town for a full
the difference about the way of driving of the land last
granted by the court did conclude that the two ways
were voted for the driving of the last grant of the way
to the town should be put to vote again and did
the way of the two ways should be put to vote again
the mayor and the town should be put to vote again
the way of the two ways should be put to vote again
and when it was put to vote 20 men voted to drive
by the first order and it was put to vote 20 men voted to drive
in quantity of 3 votes voted upon the way of driving the
land by the way of the town and the way of the town
referred that difference from the driving of the way
which was the former way and the way of the town
was not of the town agent John of the town John of the town
John of the town Robert of the town John of the town John of the town

It is also ordered by the town that the land shall be some land
in the last grant of the court which shall be for two reasons
arrest of meadows of flower of the land to the town
that the land be laid out for the two reasons shall be
sold now given away without the consent of every one of the
in that land

The 14th day of February 1653 It is ordered that Hugh Griffin shall
send to Goodman to demand six shillings for the town
the town by the way of the driving of the water town business and
the town did not provide make payment that Hugh Griffin shall
be in the behalf of the town

Also Hugh Griffin is desired to provide for the town
Goodman about the College money to acquaint him that the
giving of the money did promise did not intend to pay for the
but to deliver it to the town and desired him to send for it or
to send up the money to allow out of the town for the way
of it

John Coll is appointed with Hugh Griffin to take an account
