It is a goodly & goodly y^e said. I doo much for a -
part of it is or about in parts of y^e. But timber Land at or
about y^e same place for a wood for timber for y^e Courts
only used & especially given in your answer. I have said to y^e
that we are good by ourd to hold y^e ground as it is now & all
of any person who would to cut off any part of land without
particular leave first got from y^e Court. And for that
I pay nineteen shillings for every year to y^e Courts and will
be bound to be warrable for ever.
