trusion on
own land

all said meeting complaint being made to the town that Benjamin
wright had made very considerable intrusion upon the towns land
noward where he now dwells: the town taking the matter into considera-
tion and that it is by time that something should be done in the matter
The town did then order and appoint Deacon John Haynes me Joseph
Woyos Corporall Honory Airo to me James Barnard or any three of
them to be a committee to act in that affair according to law
their best wisdom and discretion taking what advice the law may
afford them in such a matter and for as much as the neighbors
all Lankham have been the complainors and are likely to be the great
sufferers by the said road & Correll samuell how as desired and urged
by said town with any other persons that will be concerned to wait
on said committee to give what information and light they may
in the business and make return unto this town what they have done
