Hello everyone,

As we continue to reassess and take steps to limit the spread of COVID-19, as of 4:00 p.m. today:

All Town buildings will be closed to the public through Friday, March 27th.

Here is the link to the posting with details:

With that being said, there are some committees that will be meeting because of time constraints; however they are using remote participation, with just the chairman in the room and the rest of the members participating using Zoom software or using a conference call line. With that being said, for everyone's safety you are encouraged to postpone meetings that are not critical or time sensitive.

I'm sure there will be more changes coming our way and we will do our best to keep everyone in the loop.

Please watch the Town's website for updates.

Thank you everyone for all you do!

Maryanne
